### Death of Liverpool Man Ruled a Homicide

**Town of Salina, New York** – Onondaga County Sheriff Kevin E. Walsh reports that the death of a Salina man identified as Mark A. Clark (39), of 109 Cleveland Street, has been ruled a homicide.

This morning, the Onondaga County Medical Examiner's office confirmed that Mark Clark died from a gunshot wound. This information was shared with Sheriff's Detectives, following an autopsy that was performed earlier this morning.

Sheriff's Evidence Technicians ( ET's), will return to the Clark's residence, located at 109 Cleveland Street, so they can finish processing the scene and collecting potential evidence. Detectives, assigned to the Sheriff's Criminal Investigation Unit, will continue canvassing neighbors in attempt to further the investigation. No suspects have been identified at this time and detectives ask for anyone with information to contact them by calling **435-3081**.
