### Detectives Continue Family Abduction Investigation

**Syracuse, New York** – Onondaga County Sheriff Kevin E. Walsh reports that Sheriff's Detectives and members of the FBI are continuing to investigate the family abduction of Deonna Shipman.

Detectives recently developed information that Shipman owned a personal computer and may have dropped it off for repair before leaving the country. Detectives believe the computer may have information regarding his whereabouts and are attempting to locate it. Not knowing where Shipman's computer may be, detectives are asking for computer repair centers to check their inventory and contact the Sheriff's Office or FBI if they are in possession of Shipman's computer.

Anyone with information should contact the *Sheriff's Office* by calling **435-3081**

or

the *FBI* by calling **422-0141**.
