

PROJECT FIX

HOME REPAIR SERVICES FOR SENIOR CITIZENS

If you **60 years of age or older**, **reside within Onondaga County**, and **in need of small home repairs** to maintain your health and safety, Project Fix is for you.

- **Minor Electrical:** broken lights inside and outside, switches, fuses, plugs, etc.
- **Carpentry:** installation of railings, wooden steps repairs, etc.
- **Minor Plumbing:** leaking pipes, drain unclogging, toilet repairs, and faucets repairs or replacement
- **Accessibility:** installation of grab bars, door knobs, etc.
- **Home Security:** lock repairs for doors and windows, installation of doorbells, mailboxes, and smoke detectors, etc.

WHAT IS THE COST?

Those who receive services are asked to **pay for the materials** for each job.

Whenever possible, a **donation for time and labor** will be accepted, to be used within the general budget of the program.
