WHEREAS, on March 14, 2020, I, J. Ryan McMahon, II, Onondaga County Executive, by the authority vested in me by the Onondaga County Charter, the Onondaga County Administrative Code, and the laws of the State of New York, declared, pursuant to Section 24 of Article 2-B of the New York State Executive Law, that the public safety was sufficiently imperiled such that a Proclamation of Emergency was declared within the territorial limits of Onondaga County; and

WHEREAS, confirmed COVID-19 cases continue, with travel related cases and contact cases reported and expected to continue, making it imperative for local government and local law enforcement to have all available measures to enforce limitations upon the operation of facilities and the number of persons who may occupy any space; and

WHEREAS, New York State Executive Order 202.45, 202.47, 202.53, 202.57, 202.68, 202.69, 202.73, 202.74, 202.75 and by extension 202.81-202.89 provide that the reductions and restrictions on the in-person workforce at non-essential businesses or other entities no longer apply to Phase Four industries within Onondaga County, provided that such businesses or entities must be operated subject to the guidance promulgated by the New York State Department of Health, and it is necessary to amend this Local Order to encompass this provision; and

NOW, THEREFORE, in accordance with the authority vested in me by the Onondaga County Charter and Administrative Code, local home rule powers, and New York State Executive Law Section 24, effective immediately, I hereby extend and renew Local Emergency Order No. 9 to provide as follows:

1. Consistent with New York State Executive Orders 202.3, 202.4, 202.5, 202.6, 202.7, 202.8, 202.10, 202.11, 202.13, 202.14, 202.28, 202.31, 202.34, 202.35, 202.36, 202.41, 202.42, 202.45, 202.47, 202.53, 202.57, 202.68, 202.69, 202.73, 202.74, 202.75 and by extension 202.81-202.89 as extended and modified, which each closed or otherwise restricted public or private businesses or places of public accommodation, and required postponement, cancellation, or restriction on size of all non-essential gatherings of no more than fifty individuals for any lawful purpose or reason, so long as any such gatherings occurring indoors do not exceed 50% of the maximum occupancy for a particular indoor area for Phase 4 of the State's reopening, and provided further social

distancing, face coverings, and cleaning and disinfection protocols required by the Department of Health are adhered to; and

2. Operation of such a facility in violation of such Executive Orders, or occupancy of any such space by more than the number of persons allowed by said Executive Orders, shall be deemed to be a violation of law and in particular, but not by way of limitation, shall be deemed to be a violation of the Uniform Code or other local building code in effect in the jurisdiction in which the facility or space is located.
3. In the event of any such violation, any state, county, or local police officer authorized to enforce laws within the jurisdiction in which the space or facility is located is authorized to remove persons from such space or facility.
4. In addition, in the event of such violation, any state, county, or local code enforcement official or fire marshal authorized to enforce the Uniform Code or other local building code within the jurisdiction in which the facility or space is located is authorized to issue an appearance ticket, a Notice of Violation, an Order to Remedy such violation, which shall require immediate compliance, and/or a Do Not Occupy Order to any owner, operator, or occupant of any such facility or space.
5. Nothing in this provision shall limit the authority of any governmental unit or agency to take such other and/or additional enforcement actions to the extent necessary to ensure compliance with such occupancy-related directives or facility operation-related directives.
6. Additionally, pursuant to New York State Executive Law Section 24(5), any person who knowingly violates an Executive Order and/or this Local Emergency Order limiting operation of a type of facility or limiting the number of persons who may occupy any space shall be guilty of a class B misdemeanor and subject to additional civil action.
