## NEWS RELEASE

### Audit of Financial Operations Department Released

Syracuse, NY – Comptroller Robert E. Antonacci II released his Audit on Financial Operations Interdepartmental Billing. The report found billing irregularities in 2014 and 2015. Antonacci is pleased to report the Financial Operations Department is pursuing the recommendations of the Audit. “I am pleased this audit presented an opportunity where the Financial Operations Department worked collaboratively with our staff in finding solutions to the discovered weaknesses,” said Antonacci.

In 2013, the Onondaga County Charter and Administrative Code was amended to centralize certain financial operations which were previously handled by each individual department. It was the intent of the law to streamline fiscal processes. This audit was limited to the interdepartmental billing procedures associated with this consolidation of power.
