Deputy Comptroller/Accounting

Thomas R. Schepp II  
Deputy Comptroller/Audit

Is there a way to confirm ie tax filings for the City/County if either one of the government offices paid for membership and fees to a company called ICLEI out of Germany? I have been to many of the Consensus meetings and I can never get an answer. I believe that the taxpayers deserve to know all interactions that the County or City might have had with outside vendors. This might have been in the last 5 years or so. I have documents on Sustainability/Smart Growth from both the City and County websites that show the ICLEI's seal on their documents. I am concerned that if the consolidation goes through that certain zoning plans would be put upon towns and villages and the City. I could show you the documents if you need them.

Thank you.

*Although there are several references to Onondaga County having signed on to ICLEI (International Council for Local Environmental Initiatives), we show no record of this organization being a vendor to Onondaga County.*
