County Comptroller Robert E. Antonacci Releases Soil and Water District Audit

Syracuse, NY – On October 26, 2016, Onondaga County Comptroller Staff presented their audit report to the Onondaga County Soil & Water District Board. “I am pleased to report the Soil & Water District staff was eager to assist us in our audit of the District. This was not merely a audit of their Annual Report of the Treasurer, but also a look at their financial operations,” said Antonacci.

The Comptroller’s audit report made many recommendations, many of which were immediately adopted.

“We look forward to the continued improvement of the operation of the District and hope this report will yield stronger internal controls,” concluded Antonacci.
