Robert E. Antonacci II announces the release of two audits performed by his office. The audits review grants in both the Sheriff's Office and Health Department.

This is the first release of audits using the Comptroller's Twitter account: @countyspending. The Comptroller will be looking for more use of the Twitter account in announcing audits and informing taxpayers where their dollars go.

With regard to the audits released, both departments cooperated fully. These audits are important to keep the County in compliance with Federal and State Grant requirements.
