Dear Commissioner:

This letter will serve to commemorate our audit visit to a certain Aging and Youth Annual Community Fair held on Wednesday, October 28 at the Canton Woods Senior Center in Baldwinsville, New York. Our surprise visit was meant to verify the department's offering of the program, the extent of information available to the seniors, and to gauge the participants' opinions of the program.

During the course of our visit I met with several seniors who expressed their genuine pleasure with the information given to them and the programs available through your department. Further I met with Ruth Troy, Center Director, who also expressed her appreciation for Onondaga County holding such an important program at their Center.

In our opinion, the senior citizens of our County are well served by this program and were given a breadth of information to assist in their lives. Further, we have every reason to believe the program was offered in accordance with the mission of the Onondaga County Department of Aging and Youth.

Sincerely,

Robert E. Antonacci II, CPA
