#### Section C - Coordination of Benefits

You must submit claims within 36 months of date of purchase or as required by your plan.

When submitting an Explanation of Benefits (EOB) from another health plan or Medicare: If you have not already done so, submit the claim to the primary plan or Medicare. Once you receive the EOB, complete this form, submit the pharmacy receipt(s), and attach the EOB. The EOB must clearly indicate the cost of the prescription and amount paid by the primary plan or Medicare.

When submitting a copay receipt: If your primary plan requires you to pay a copayment or coinsurance to the pharmacy, then no EOB is needed. Just complete this form and submit the pharmacy receipt(s) showing the amount you paid at the pharmacy. This receipt(s) will serve as the EOB.
