

Public Meeting Notice: Onondaga Lake Beach Feasibility Study and Design Project

When: Wednesday, June 26, 2019; 5–7pm

Where: Lakeview Amphitheater “VIP Club”, 490 Restoration Way, Syracuse, NY 13209

To access the “VIP Club”, please follow the bus route beyond the bus circle to the rear of the Amphitheater facility and park in the open lot. Signage will be displayed to help direct traffic.

The Onondaga County Office of Environment will hold the second of three public meetings to discuss the Onondaga Lake Beach Feasibility Study and Design project on Wednesday, June 26th 2019, 5-7pm, at the “VIP Club” at the Lakeview Amphitheater. The purpose of this meeting is to share updates regarding the project and site selection, review the status of the lake cleanup and water quality, and to seek further public input on amenities and design features.

This event will include a presentation at 5:30pm followed by a Q&A poster session during which attendees can provide input on site design and amenities and will be able to speak with scientists and agency representatives regarding the beach project. Onondaga County residents are encouraged to arrive at 5:00pm to participate in voting for site design features. During the meeting, the Project Committee will also review how public input received during the first public meeting and through the online public opinion survey have been incorporated.
