

Take the Stormwater Survey for a Chance to Win a Free Rain Barrel

The CNY Regional Planning & Development Board is seeking participation in an online survey to assess public awareness of storm (rain) water quality.

The 30 question survey requires approximately ten minutes to complete. Survey responses will be used to help shape future educational programs that support clean water throughout central New York. All survey responses will be held confidential.

As an incentive to participate, anyone completing the survey can enter to win a free rain barrel courtesy of Cornell University Cooperative Extension of Onondaga County.

To access the survey visit: www.cnyrpdb.org/stormwater.

The deadline for completing the survey is July 31, 2010.

For more information contact CNY RPDB at 315-422-8276.
