

# SAFER HALLOWEEN RECOMMENDATIONS

## DO THIS

## DON'T DO THIS

**DO** plan safer activities like a virtual costume contest or family scavenger hunt.

**DO** wear a cloth face mask in indoor public spaces or crowded outdoor spaces.

**DO** stay at least 6 feet from others you don't live with.

**DO** wash/sanitize hands before, during, and after going out.

**DO** get creative if you're handing out treats: use a chute, tongs, or set up a station outdoors with individually packaged treats for kids to take.

**DO** stay in small groups if you do go out.

**DO** choose outdoor activities instead of indoor ones.

**DO** remember to carry a glow stick or flashlight so you can be seen.

**DON'T** host or attend big parties.

**DON'T** have direct contact with trick-or-treaters.

**DON'T** hand out candy if you or someone in your household are sick or are in quarantine or isolation.

**DON'T** put candy in a big bowl for kids to grab from.

**DON'T** let kids eat unwrapped candy or homemade foods from trick-or-treating.

**DON'T** wear a costume mask in place of a cloth face mask.

**DON'T** go out if you have COVID-19 symptoms! Stay home and get a test.
