

MAP ONE
Seneca River
Jack's Reef Area - Downstream
of State Cut

This topographic map shows the Seneca River flowing through a landscape with various land parcels outlined in orange. The Erie Canal runs parallel to the river. Key features include:

- Seneca River:** The main waterway, flowing from the top right towards the bottom left.
- Erie Canal:** A straight canal running vertically through the center of the map.
- Land Parcels:** Numerous parcels outlined in orange, some with owner names like 'Seneca E', 'Kingdom', 'Loveless', 'Conners', and 'Daboll'.
- Topography:** Contour lines indicating elevation, with labels such as 400, 450, 500, and 550 feet.
- Other Features:** 'Frog Hole Swamp' in the bottom left, 'Adams Cem' (cemetery), and 'Gaging Sta' (gaging station) near the bottom.
- Yellow Markers:** Five yellow squares are placed along the river and canal, likely indicating specific points of interest or measurement.
- Scale and Date:** A scale bar at the bottom right shows distances from 0 to 3,000 feet. The date 'February 2020' is printed below the scale bar.
- Logos:** The 'SOCPA' logo is in the bottom left corner.
