- COVID update: 260 inmates (253 male/7 female) in Justice Center as of today at 11am. There is only one COVID case at Justice Center a few days ago. Inmate will be in quarantine there for 14 days in separate cell. Earlier, 2 inmates tested positive (1 tested, 1 self reported). Both quarantined for 14 days (now over and symptom free). A few officers have reported positive over the last few months but no further info provided. Several men are waiting for transport to State facilities but are being held at Justice Center.
- Bimonthly meeting plan: The jail can accommodate JCOC members for in-person meeting on Wednesday (8/12) at 5:30pm. Looking at moving to 8/19 to get better attendance from board members.
- Looking to schedule a meeting with the Justice Center medical staff. More to come.
