Section 2. Separability. If any section, part or provision of this local law, including without limitation any part or provision relating to any district described herein, shall be adjudged invalid by a court of competent jurisdiction, such judgment shall: (1) be confined in its operation to the section, part or provision of this local law or the district or districts directly involved in the controversy in which such judgment shall have been rendered, (2) not affect or impair the validity of the remaining sections, parts,

provisions or districts, and (3) not affect or impair the validity of the remaining apportionment or districting provided for in this local law. The Onondaga County Legislature hereby declares that it would have enacted this local law of such remaining parts, provisions or districts, had the invalidity of such part, provision or district been apparent at the time of such enactment.

Section 3. Construction. This local law shall be liberally construed to effectuate the purposes thereof and to apportion and district this county in compliance with the rulings of the United States Supreme Court and New York State Municipal Home Rule Law Section 34(4).

It is intended that this local law and the districts described herein completely encompass all the area within the county. It is also intended that such districts apportioned on the basis of 2020 citizen population contain all the citizens resident in this county. It is further intended that the apportionment and districting provided for in this local law result in the creation of districts containing substantially equal citizen population. It is also intended that no district shall include any of the area included within the description of any other district.

Section 4. This reapportionment plan is adopted and is subject to a permissive referendum pursuant to the provisions of Onondaga County Charter Section 207 and Onondaga County Administrative Code Section 2.17. A petition signed, authenticated and filed by qualified electors of the County, registered to vote therein at the last preceding general election, in number equal to at least 10 per centum of the total number of votes cast for governor at the last gubernatorial election in the County, as provided in subdivision one of Section 24 of the Municipal Home Rule Law, within 45 days of adoption of this local law, shall be sufficient to require the submission of a proposition for the approval of such local law at a referendum in accordance with such subdivision. Petition and referendum procedures, including criteria for establishing or challenging the validity of such petition, shall be in accordance with subdivision one of Section 24 of the Municipal Home Rule Law.

Section 5. This local law shall become effective upon adoption and filing with the New York State Secretary of State. Provided, however, that if within 45 days after its adoption there be filed with the Clerk of the County Legislature a petition protesting against such local law, signed and authenticated in the manner set forth in subdivision one of Section 24 of the Municipal Home Rule Law by qualified electors of the County, registered to vote therein at the last preceding general election, in number equal to at least 10 per centum of the total number of votes cast for governor at the last gubernatorial election in the County, then such local law shall not take effect until approved by the affirmative vote of a majority of the qualified electors of the County voting on a proposition for its approval.
