RESOLUTION NO. \_\_\_\_\_

**AUTHORIZE A PUBLIC HEARING TO CONSIDER RECOMMENDATIONS OF THE METROPOLITAN WATER BOARD TO AMEND THE CURRENTLY EFFECTIVE SCHEDULE OF RATES TO BE CHARGED FOR WATER AND WATER SERVICE PROVIDED BY THE ONONDAGA COUNTY WATER DISTRICT**

WHEREAS, by Resolution No. 215 adopted June 6, 1966, the Board of Supervisors confirmed, ratified and approved, pursuant to the provisions of Section 266 of the County Law, a Schedule of Rates to be charged for water and water service to be provided by the Onondaga County Water District, as recommended by the Metropolitan Water Board, the administrative head for said District, which Schedule of Rates was thereafter amended by the following Resolutions: No. 158-1969, 163-1970, 614-1974, 625-1980, 172-1984, 187-1993, 105-2002, 230-2003, 261-2004, 245-2005, 288-2006, 289-2008, 249-2010, and 501-2011 and, as thus amended, such Schedule of Rates is currently in full force and effect; and

WHEREAS, said Metropolitan Water Board has proposed amending said Schedule of Rates, as hereinafter more fully set forth, with a request for confirmation of the proposed amendment following a public hearing thereon to be conducted pursuant to the provisions of Section 266 of the County Law and applicable rules; and

WHEREAS, it is now desired to schedule the required public hearing to consider the proposed amendment; now, therefore be it

RESOLVED, by the Onondaga County Legislature, as follows:

Section I. Receipt is hereby acknowledged of a communication from the Metropolitan Water Board on October 31, 2013 administrative head for the Onondaga County Water District, advising that it has established an amendment to the currently effective Schedule of Rates to be charged for Water and Water Service provided by the Onondaga County Water District effective January 1, 2014, and requesting confirmation of said amendment by the County Legislature following a public hearing thereon.

Section II. The amendment proposed by the Metropolitan Water Board involves change in the respective rates currently in effect and, as amended, said Schedule of Rates would read as follows:

"All deliveries shall be made pursuant to contracts in writing between the customer and Onondaga County Water District and, except as otherwise provided in such contracts approved by the County Legislature, charges for water and water service shall be made in the manner following:

SCHEDULE NO. I: For each Internal Customer, except the City of Syracuse, charges for water and water service will be made on a dual basis-a commodity charge based on actual consumption as measured by the meter at the point of connection to the District system (meters to be read and customers to be billed monthly), plus a capacity charge based on peak demand placed by the customer on the District system; these charges shall be computed by applying to actual consumption the following rates:

COMMODITY CHARGE:	(per 1,000 gallons per month)
First 30,000,000 gallons	\$1.03
Next 80,000,000 gallons	\$1.02
Next 180,000,000 gallons	\$1.01
Over 290,000,000 gallons	\$1.00

CAPACITY CHARGE: \$3.85 per month per thousand gallons on the day of peak demand calculated by multiplying the average day during the prior year by a factor of 1.5. During the initial year of service the peak day will be adjusted monthly using cumulative daily average consumption and the 1.5 multiplier.

SCHEDULE NO. 2: For the City of Syracuse the charge for water and water service will be at the rate of \$1.23 per thousand gallons actually consumed as measured by the meter at the point of connection to the District system (meter to be read and bill to be rendered monthly); PROVIDED, however, that the City will pay a minimum annual charge (calendar year) of \$50,000 in equal monthly installments, for which the City may take 40,650,406 gallons of water in that year; for any water consumed in excess of this quantity during such year an additional charge will be made at the rate of \$1.23 per thousand gallons of excess.

SCHEDULE NO. 3: For each External Customer charges for water and water service will comprise the following monthly and annual charges:

- a) A monthly charge for water actually delivered and sold, computed and payable in the manner prescribed in SCHEDULE NO. 1 for Internal Customers; PLUS
- b) An annual charge computed and payable in the manner prescribed in Article III, Section 3.4 (c) of the currently effective Rules and Regulations for the Operation of Onondaga County Water District. The terms "Internal Customer" and "External Customer" shall apply to and comprise customers within the scope of these terms as defined in Article I, Section 1.9 and 1.10 of the currently effective Rules and Regulations for the Operation of Onondaga County Water District. When a customer has more than one (1) connection to the District system, a meter will be installed at each point of connection and customer will be billed on a conjunctive basis."

and, be it further

RESOLVED, that said public hearing be held at the County Legislature Chambers in the County Courthouse, City of Syracuse, New York, at 12:55 o'clock P.M. on December 3, 2013, to consider the aforementioned amendment to the currently effective Schedule of Rates to be charged for water and water service provided by the Onondaga County Water District, which hearing shall be conducted in compliance with the rules for conducting such a hearing as set forth in the Order of the Board of Supervisors contained in Resolution No. 174-1966; and, be it further

RESOLVED, that the Clerk of this County Legislature be and hereby is authorized and directed to give notice of the public hearing hereinabove authorized and scheduled by publishing a certified copy of this resolution once in the Syracuse Post Standard, the first publication thereof to be not less than ten (10) nor more than twenty (20) days prior to said hearing.

AMENDING RESOLUTION NO. 55-2013 REGARDING AN ALTERNATIVE ALLOCATION OF PAYMENTS IN LIEU OF TAXES FOR THE PROJECT KNOWN AS "TOWNSHIP 5", AND AUTHORIZING THE COUNTY EXECUTIVE TO AGREE TO SUCH CHANGED TERMS

WHEREAS, by Resolution No. 55-2013, this Legislature authorized an alternative allocation of property taxes, agreeing to receive annual payments in lieu of taxes from the Hinsdale Road Group, LLC (the "Company") under a PILOT Agreement for a period of twenty-five years, and the Company initiated such process by submitting an application to the Onondaga County Industrial Development Agency (the "Agency") and requesting the Agency's assistance with a certain project known as Township 5, located on approximately 67 acres of real property off of Hinsdale Road, located in the Town of Camillus, New York; and

WHEREAS, the Project will be to construct a mixed-use lifestyle center, providing office, retail, entertainment and housing in more than 500,000 square feet of buildings, and, to support the increased traffic flow to the center, the Company proposes to make various improvements and modifications to the surrounding public infrastructure and roads; and

WHEREAS, the PILOT Agreement included a provision whereby debt service on bonds issued for infrastructure improvements would be paid using a portion of the annual payments in lieu of taxes, and the remainder of such annual payments would be allocated to the affected taxing jurisdictions, and the bonds to pay for such infrastructure costs were estimated to be \$6,000,000; and

WHEREAS, the Company has increased its estimate for the infrastructure costs from \$6,000,000 to \$6,654,674, as provided on the amended schedule of payments, which document is on file with the Clerk; and

WHEREAS, the Company is changing its method of financing the Project, obtaining approximately \$3,500,000 from its construction lender to finance the infrastructure improvements and directly paying for approximately \$3,100,000; and

WHEREAS, the Company proposes to change the terms of the PILOT Agreement, such that a portion of the annual payments in lieu of taxes will continue to be used to pay debt service related to the financing of infrastructure improvements through the construction loan obtained by the Company, and, further, such that the Company reserves the right to request the Agency to issue bonds at a future point in time for the financing of the infrastructure improvements; and

WHEREAS, the Company further proposes to change the terms of the PILOT Agreement, such that the upper limit on the amount of the annual payment in lieu of taxes to be applied to the debt service related to the financing of the infrastructure improvements is capped at \$475,000 in any year in which the annual payment in lieu of taxes is less than \$1,000,000 and at \$525,000 in any year in which the annual payment in lieu of taxes is more than \$1,000,000, where the original terms provided for a cap of \$325,000 in any year in which the annual payment in lieu of taxes is less than \$1,000,000 and \$475,000 in any year in which the annual payment in lieu of taxes is more than \$1,000,000; now, therefore be it

RESOLVED, that pursuant to Section 858(15) of the New York General Municipal Law, the County hereby reaffirms its agreement and consents to the Alternative Allocation, as presented in Resolution No. 55-2013 and as amended herein by the proposed changes, whereby the Agency will receive annual payments in lieu of taxes from the Company for twenty-five (25) years in the amounts set forth in a document on file with the Clerk of this Legislature, with such document being an amended schedule of payments, and the Affected Taxing Jurisdictions shall receive from such annual payment in lieu of taxes the Alternative Allocation during the twenty-five years of the PILOT Agreement, as set forth in Resolution No. 55-2013, as amended herein; and, be it further

RESOLVED, that the consent for the proposed changes to the PILOT Agreement provided by the County is contingent upon satisfaction of the execution and delivery by the Company and the Agency of an amendment to the PILOT Agreement consistent with this resolution, such that a portion of the annual payments in lieu of taxes may be used to pay debt service related to the financing of infrastructure improvements through the construction loan obtained by the Company, and, further, such that the construction loan may be replaced by a possible issuance of bonds by OCIDA at a future point in time; and, further, such that the upper limit on the amount of the annual payment in lieu of taxes to be applied to the debt service related to the financing of the infrastructure improvements is capped at \$475,000 in any year in which the annual payment in lieu of taxes is less than \$1,000,000 and at \$525,000 in any year in which the annual payment in lieu of taxes is more than \$1,000,000; and, further, that any remaining PILOT payments be allocated between and distributed to the Affected Taxing Jurisdictions pursuant to General Municipal Law Section 858(15), and, in the event that the Agency Bonds are retired, if any are issued, or the construction loan financing the infrastructure improvements is repaid in full prior to the termination of the PILOT Agreement, the remaining PILOT payments shall also be allocated pursuant to General Municipal Law Section 858(15); and, be it further

RESOLVED, that Resolution No. 55-2013 and the PILOT Agreement executed pursuant to the authority granted therein, remain in effect except as amended herein; and, be it further

RESOLVED, that the Special District payments shall be paid notwithstanding any PILOT agreement; and, be it further

RESOLVED, that this Resolution shall take effect immediately.
