AGNES MCCRAY

311 North Avenue, Apt. NG04, Syracuse, New York 13206

315 437-0106 Email: agnesmccray@gmail.com

Agnes McCray was born in the Caribbean and moved with her family to Syracuse when she was a child. Agnes says that she is a person with "extravagant differences" (she has cerebral palsy and uses an electric wheelchair) and is the proud mother of three sons. Agnes received her Associates Degree from Onondaga Community College, her Bachelor's Degree from Geneseo, and her Master's Degree in Special Education and Rehab Counseling from LeMoyne College. Despite her cerebral palsy, Agnes participated on the swim team in high school, and her hobbies in college included skydiving.

Prior to the historic legislation known as the Americans with Disabilities Act, Agnes McCray was a force for change. In 1986, while still a teenager, Agnes was among a group of protestors who chained themselves to Centro buses to demand accessibility. Her involvement in ARISE's Youth on the Move Advocacy group from 1986 to 1991 was just the beginning of an extraordinary life of community action, advocacy, education, and service. She was active during her teen years in other efforts, including the College for Living at Onondaga Community College. At the age of 19, Agnes accepted an invitation to speak at Grant Middle School about being a person with disabilities.

Agnes understands the importance of civic engagement and meets regularly with elected officials. Agnes also knows when more than a meeting is required. During the past 11 years, she has participated in more than 300 protests and advocacy trips. One of those protests (and one of her arrests) involved joining with other activists from around the nation to block every entrance to the Capitol building.

One example of the fruits of her local efforts was passage of the Visitability resolution in Syracuse and Onondaga County. She is now working to get a statewide visitability law passed. Other legislative efforts involve working for passage of the Protection of Income bill, so tenants are not discriminated against based upon their source of income; ADA Title II bill, to ensure access to state and local government (currently only a federal law); and Accessible Taxi bill, to ensure that people with disabilities have access to on demand transportation.

In addition to providing training and guidance for people within the disability community, Agnes makes a difference by training government workers. For the past several years, Agnes has provided training to state workers as well as local workers. She teaches them about the Americans with Disabilities Act and about working with people who have "extraordinary differences". Her training for workers in group homes is a vital part of ensuring that people with physical and intellectual disabilities are protected from abuse. During the trainings, Agnes also offers guidance on making connections in the community for people with disabilities. Her trainings have been videotaped to be used throughout New York State.

Agnes worked for three years to insist upon and secure the appointment of an ADA Coordinator for Onondaga County to assure compliance and to receive and process complaints. In addition to the creation of the coordinator position, she works on a continuing basis to provide training to DSS workers so that they not only comply with the law but understand how best to work with people who have disabilities. As a result of her efforts, Onondaga County is now recognized for the way they do this work.

Many positive outcomes have resulted from Agnes' advocacy work, starting with the decision by Centro to make buses accessible. She has played a vital role in ensuring that people of all abilities are able to exercise their right to vote, and has worked closely with the Board of Elections to address every aspect of the process. Many changes were made in process and in the actual voting machines as a result of her advocacy. On an ongoing basis, she trains election workers on working with people who have disabilities. She is frequently active in voter registration efforts.

Agnes serves on numerous boards, task forces, advisory groups, and her advice is sought by community leaders. She has served on the Mayor's Citizen's Cabinet and was a member of County Executive Mahoney's Education Task Force. Agnes served for five years on the board of the Association of New York State Independent Living Centers and was extremely active in legislative and advocacy on a statewide level. She worked with the Burton Blatt Institute to address disability rights issues, and served on the Board of Directors of Aurora of CNY for 9 years.

Agnes has been active with ARISE since 1986 and has played numerous roles in the organization. She currently serves as President of the Consumer Council and is a member of both the Vice President of the ARISE board of directors and the ARISE Foundation board, and is also a member of the board of HOME Inc., the Syracuse Community Health Center, the Inclusive Emergency Preparedness Task Force and Human Needs Task Force hosted by AccessCNY, the Centro ATAC Committee, and the AURORA Program Advisory Committee.

Agnes has received numerous awards for her efforts:

- 2012 Liberty Bell Award from Onondaga County Bar Association
- 2007 Presidential Volunteer of the Year Award from United Way of CNY, recognizing more than 5,000 hours of volunteer service to ARISE
- 2006 New York State Achiever's Award from the NYS Senate
- 2005 Al Felment Achievement Award from Cerebral Palsy Associations of NY
- 2004 Thomas Rigney Participant Recognition Award from Enable

Other Relevant Information -

Agnes' keen intellect, command of complex issues, and tireless efforts have led to a widespread recognition of her as a spokesperson for the disability rights movement in this community and beyond. Agnes has worked to expand the rights of people with disabilities by sharing her time and expertise in extraordinary ways. It is no exaggeration to say that she has spoken on thousands of occasions since then to increase awareness, demand change, and to invite people of all

abilities to become involved. Agnes believes deeply in the right of every person to live a life of independence and choice. She works to create a society that offers everyone the opportunity to fully participate.

Because of Agnes, people with disabilities in Syracuse and Onondaga County have gained greater access to the community. From the decision by Centro to make buses accessible to a visitable ordinance passed in Syracuse that requires all new housing built with public funds to be built with accessible features, she has enriched our community by making sure it is more accessible to all. Agnes talks often about being able to look outside of the box, and has herself been instrumental in making people forget about the box entirely.

Agnes believes deeply in human rights, civil rights, and justice. Whenever there is a situation involving denial of access to rights for whatever reason Agnes will be there to join in the fight.

Serving as emcee of the ADA Celebration in 2012, Agnes spoke about the power of working together.

If you are holding one pencil in your hand, it is easy to snap it in two. But if you have five, seven or ten pencils in your hand, you are not going to break them. She often tells people tough times don't last, but tough people do.

**Public Statement to the Onondaga County Legislature
February 2, 2021**

The Nuclear Free World Committee of the Syracuse Peace Council is asking the Onondaga County Legislature to join many local, state, and national organizations in endorsing *Back from the Brink: The Call to Prevent Nuclear War*, a five-point set of common sense, practical policy solutions that would greatly reduce the real and immediate risks posed by nuclear weapons (see below).

Drafted by two national organizations, the Union of Concerned Scientists and Physicians for Social Responsibility, the purpose of The Call to Prevent Nuclear War is to build broad, bi-partisan public and congressional support for fundamental changes in US nuclear policy that will make every American—and the world—safer.

Nuclear weapons do not make us safer, and the enormous sum of money we spend to build and maintain them makes it more difficult to fund other critical programs for our cities and towns, such as public housing, education, environmental protection, rural internet access, anti-poverty programs, etc. In this time of Covid19, the needs of our community have become more desperate than ever.

On August 6, 2020 at the 75th commemoration of the bombing of Hiroshima and Nagasaki, Mayor Walsh joined the US Conference of Mayors in passing a resolution that Syracuse would endorse Back from the Brink. We call on the Onondaga County Legislature to also endorse The Call to Prevent Nuclear War. It will send a powerful signal to members of our congressional delegation and other leaders in Washington that it is time for a fundamental shift away from thinking of nuclear weapons as instruments of security; instead we must move toward a world free of them.

More information can be found at preventnuclearwar.org.

The Call to Prevent Nuclear War

We call on the United States to lead a global effort to prevent nuclear war by:

1. renouncing the option of using nuclear weapons first;
2. ending the sole, unchecked authority of any president to launch a nuclear attack;

3. taking US nuclear weapons off hair-trigger alert;
4. cancelling the plan to replace its entire arsenal with enhanced weapons;
5. actively pursuing a verifiable agreement among nuclear armed states to eliminate their nuclear arsenals.

Thank you for your consideration.

A RESOLUTION AUTHORIZING THE REPAVING OF THE E911 CENTER PARKING LOT IN AND FOR THE COUNTY OF ONONDAGA, NEW YORK, AT A MAXIMUM ESTIMATED COST OF \$344,000, AND AUTHORIZING THE ISSUANCE OF \$344,000 BONDS OF SAID COUNTY TO PAY COSTS THEREOF

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

Section 1. The Repaving of the E911 Center parking lot, including incidental costs in connection therewith, is hereby authorized at an estimated maximum cost of \$344,000.

Section 2. The plan for the financing thereof is by the issuance of \$344,000 bonds of said County hereby authorized to be issued therefor.

Section 3. It is hereby determined that the period of probable usefulness of the specific object or purpose is ten years, pursuant to subdivision 20(f) of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Chief Fiscal Officer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue bonds with substantially level or declining annual debt service, shall be determined by the Chief Fiscal Officer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The County Executive is authorized to enter into contracts to implement the intent of this resolution. In the event that the 2020 General Fund Operating Surplus Funds are available at the end of the 2020 fiscal year, and if the Chief Fiscal Officer of Onondaga County deems it fiscally advantageous to use surplus funds rather than borrowing, all or a portion of the cost of the improvements

authorized herein shall be paid using such surplus funds. Further, in the event that 2020 General Fund Operating Surplus Funds are so utilized, then the authorization to issue bonds provided within this resolution is hereby rescinded accordingly, reduced by the amount of funds utilized.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 10. This resolution, which takes effect immediately, shall be published in summary form in the Syracuse Post Standard, the official newspaper of said County, together with a notice of the Clerk of the County Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

A

A LOCAL LAW AUTHORIZING THE LEASE OF SEWAGE DISPOSAL SYSTEMS FROM
CERTAIN MUNICIPALITIES WITHIN THE ONONDAGA COUNTY CONSOLIDATED SANITARY
DISTRICT FOR COUNTY PURPOSES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA,
AS FOLLOWS:

Section 1. Purpose. A well maintained public sewer system is a valuable community asset. The purpose of this local law is to lease, for county purposes, public sewage disposal systems owned by certain municipalities, thereby enhancing opportunities for economic development and regional prosperity.

Section 2. Findings. The Baldwinsville Seneca Knolls and Metropolitan Syracuse service areas are located within the Onondaga County Consolidated Sanitary District. The Town of Van Buren, Town of Lysander, and Village of Baldwinsville, or portions thereof, are located within the Baldwinsville Seneca Knolls and/or Metropolitan Syracuse service areas ("Participating Municipalities"). The Participating Municipalities own and operate sewage disposal systems, in varying degrees of age and condition, which ultimately convey sewage to the County-owned Baldwinsville Seneca Knolls and/or Metropolitan Syracuse wastewater treatment plants.

Leasing the Participating Municipalities' sewage disposal systems to the County allows for increased economies and efficiencies. Properly maintained sewers prevent inflow and infiltration from entering the sewer system, thereby protecting the County from expending limited financial resources to treat clean water and preventing the County and its ratepayers from incurring unnecessary and costly facility expansion expenses. In addition, the County is responsible to state and federal regulators for the "end of pipe" treatment plant discharges, with the County, as well as the Participating Municipalities, subject to fines and penalties for system malfunctions and/or permit exceedances. Challenges amplify during wet weather conditions, where increased flows become unpredictable in quantity and quality. Leasing the Participating Municipalities' sewage disposal systems to the County allows for enhanced capacity management and improved compliance, in addition to promoting stewardship of the natural resources enjoyed by the community as a whole.

Section 3. Leases and Agreements Authorized. The leasing, for county purposes, of the sewage disposal systems within the Onondaga County Consolidated Sanitary District (CSD) owned by the Town of Van Buren, Town of Lysander, and Village of Baldwinsville is hereby authorized. The leased sewage disposal systems include sanitary sewers and exclude stormwater conveyances, with the exception of public combined sanitary/stormwater conveyances existing at the time of the effective date of the lease with the respective municipality and until any such public combined sanitary/stormwater conveyance is separated, at which time the separated sanitary sewer conveyance is included within the respective lease and the separated stormwater conveyance excluded from said lease. The leases further include the real and personal property comprising or related to such leased sewage disposal systems and consist of, inter alia, all land, buildings, basins, pump stations, outfalls, storage facilities or mechanisms, structures, fixtures (including interceptors and collection lines), improvements, and real property interests such as easements, access rights, rights of way, permits, licenses and leases. The leases are for a period not to exceed forty (40) years, with four (4) possible consecutive renewals of ten (10) years each. The leases authorize the County, if and as may be agreed to by the County Executive, to pay each Participating Municipality an amount not to exceed \$200,000 to be used towards sewage disposal system debt obligations remaining after the use of each Participating Municipality's existing surplus sewer funds to reduce or retire such outstanding debt. Alternatively, at each Participating Municipality's election and in conjunction with a village main street or

a town center or hamlet development project, the County may perform up to Two Hundred Thousand dollars (\$200,000.00) worth of WEP-approved green infrastructure projects. The consideration for the leases shall be one dollar per year and the continued benefit to the public of a long-term, strong and sustainable sewer system and the anticipated efficiencies and cost savings to be gained from consolidated administration and operation of the sewer assets. The County Executive is authorized to enter in said leases and such other documents and agreements reasonably necessary to effectuate the leases and implement the intent of this local law.

Section 4. Effective Date.

This local law shall take effect upon filing, consistent with the provisions of Municipal Home Rule Law.
