Title: Professor

Degree:

- Ph. D. Syracuse University

Lab/Center Affiliation(s):

- Center for Information Systems Assurance and Trust
- Institute for National Security and Counter Terrorism

Research interests:

- Computer security
- Systems assurance
- Formal verification

Current Research:

Shiu-Kai Chin's research uses mathematical logic for the design and verification of trustworthy computer systems. Examples of computer systems that must be trustworthy are command and control systems, financial services, and distributed control of the power grid. His focus is on policy-based design and verification with an emphasis on using computer-assisted reasoning using higher-order logic theorem provers.

Shiu-Kai supports the Air Force's research in trustworthy systems and hardware-based security. His work with JP Morgan Chase was used to reason about the security and integrity of credentials and entitlements in large-value commercial transactions.

Courses Taught:

- Hardware design
- Access control
- Secure computer architecture
- Certified security by design

Honors:

- Provost Faculty Fellow
- Laura J. and L. Douglas Meredith Professor for Teaching Excellence
- Chancellor's Citation for Outstanding Contributions to the University's Academic Programs
- 2005 Syracuse University Outstanding Teacher of the Year
- Crouse Hinds Award for Excellence in Education

Motion Made By Mr. Jordan

RESOLUTION NO. _____

AUTHORIZING THE COUNTY EXECUTIVE TO RENEW OR ENTER INTO INTERMUNICIPAL AGREEMENTS TO PROVIDE SERVICES TO MUNICIPALITIES WITHIN ONONDAGA COUNTY TO ASSIST THOSE MUNICIPALITIES IN COMPLYING WITH DEPARTMENT OF ENVIRONMENTAL CONSERVATION STORMWATER PERMIT REQUIREMENTS

WHEREAS, the Clean Water Act was amended in 1987 to establish permit requirements to help control pollution from stormwater run-off; and

WHEREAS, in 2003, pursuant to Federal regulations, the DEC expanded the scope of its stormwater program to require certain municipalities to apply for a DEC stormwater permit; and

WHEREAS, 25 municipalities in Onondaga County that operate Municipal Stormwater Sewer Systems (MS4s), including the County, the City of Syracuse and numerous towns and villages, are required to comply with such DEC stormwater permits; and

WHEREAS, each of these 25 municipalities are required to implement stormwater management programs and satisfy six minimum control requirements mandated by the stormwater permit, including reporting and investigation of illicit discharges and inspection of stormwater outfalls; and

WHEREAS, since these general permit requirements are applicable to all 25 municipalities, it has been recognized that there are opportunities for cost effective compliance through cooperation and coordination; and

WHEREAS, years ago a number of these municipalities had requested that the County provide certain services to assist them in complying with their obligations to develop and implement a Stormwater Management Program; and

WHEREAS, in response to this request, in 2008 the County developed a proposal to furnish services through the Onondaga County Department of Water Environment Protection to interested municipalities, which services include the following:

- 1) Establish a centralized "Hotline" for citizens to report suspected illicit discharges, at no cost to other municipalities;
- 2) Perform routine inspections of stormwater "outfalls" at no cost to other municipalities;
- 3) Assist in tracking down sources of potential illicit discharges to stormwater systems, at a fee of \$60.00 per hour;
- 4) Share laboratory services at prevailing laboratory rates/costs; and

WHEREAS, in December 2008 the County Legislature passed Resolution Number 323 authorizing the County Executive to enter into agreements with interested municipalities for a term not to exceed 5 years to perform stormwater permit related services for municipalities; and

WHEREAS, in 2009 all 24 municipalities in Onondaga County subject to the Phase II Stormwater Regulations entered into Intermunicipal Agreements with the County to receive such stormwater permit related services; and

WHEREAS, in November 2013 the County Legislature passed Resolution Number 160 authorizing the County Executive to renew such Intermunicipal Agreements with interested municipalities for an additional term not to exceed 5 years; and

WHEREAS, in 2014, 17 municipalities in Onondaga County subject to the Phase II Stormwater Regulations renewed Intermunicipal Agreements with the County to receive such stormwater permit related services; and

WHEREAS, it is the desire of this Legislature to authorize the County Executive to renew or enter into these Intermunicipal Agreements with MS4 municipalities in Onondaga County in order to provide for such stormwater permit related services; now, therefore be it

RESOLVED, that the County Executive hereby is authorized to renew or enter into stormwater assistance agreements with interested municipalities for a term not to exceed 5 years to perform stormwater permit related services for municipalities, and to execute agreements to implement the intent of this resolution.

OF FUNDS IN CONNECTION WITH THE NYS EMPIRE TRAIL PROJECT

RESOLVED, that there are prior year surplus room occupancy tax funds available for spending, and it is necessary to give authorization to allow \$35,000 of such funds to be used to create a plan to derive a tourism/economic benefit from the upcoming construction of the NYS Empire Trail project through Onondaga County; and, be it further

RESOLVED, that such funds be made available for use in the NYS Empire Trail project, provided that agreements are executed as may be necessary, containing terms and conditions to be negotiated regarding such funds, including, but not limited to, the use and oversight thereof; and, be it further

RESOLVED, that Resolution No. 43 – 2018 is amended to rescind the appropriation made therein of prior year surplus room occupancy funds, where such amendment is needed to correct and adjust the project funds previously made available for use through the 2018 County Budget, provided that the authorization remains intact to support the use of funds, consistent with the purposes of such resolution.
