RESOLUTION NO. 59

DECLARING THE POLICY OF THE ONONDAGA COUNTY LEGISLATURE TO REVISE THE
FORM AND CONTENT OF THE REAL PROPERTY TAX BILL

WHEREAS, this Onondaga County Legislature deems it necessary to provide for a county real property tax bill that is clear and understandable to the taxpayers, as well as consistent in design and terminology from year to year; and

WHEREAS, the current county real property tax bill in most cases includes a line item for "state mandated costs", and does not specifically identify a line for county real property taxes; and

WHEREAS, the County taxpayer should be able to review the real property tax bill and readily ascertain the amount of county real property taxes due and owing; and

WHEREAS, to that end, it is the finding of this Legislature that the county real property tax bill should be changed such that the words "county tax" are clearly stated and appear adjacent to the total dollar amount of taxes levied by the county, and that words noting the cost of state mandated costs be listed on the bill as well; now, therefore be it

RESOLVED, that it is hereby declared the policy of this Onondaga County Legislature that the Onondaga County real property tax bill be revised as to form and content to clearly state "County Tax (100% of Tax Applied to State Mandated Costs)"; and, be it further

DECLARING THE POLICY OF THIS LEGISLATURE THAT THE PRACTICE OF STACKING OF OVERTIME SHOULD BE ELIMINATED, CALLING FOR REPORTING ON OVERTIME, AND REQUESTING NEGOTIATIONS CONSISTENT WITH THIS POLICY, ALL TO THE EXTENT ALLOWABLE BY CONTRACT AND APPLICABLE LAW

WHEREAS, the State of New York sets terms and conditions for public employee pension contributions, pension administration and pension payments for those eligible to receive pension benefits; and

WHEREAS, the cost of public pensions is passed from the State of New York to local municipalities, including counties, towns, cities and villages; and

WHEREAS, the current state pension system includes a defined benefit plan obligating local municipalities to pay for the fixed and defined employee benefits regardless of the financial performances of the State pension administration investments; and

WHEREAS, with the downturn in the economy, the cost of public employee pensions to all taxpayers increased significantly in recent years; and

WHEREAS, with higher demand for pension payments and fewer local dollars available to pay the same, public and private evaluators, including Governor Cuomo, have determined the current pension system is unsustainable without fundamental change; and

WHEREAS, each level of government should do everything possible to support, promote and institute fundamental changes to the pension collection, management and distribution systems; and

WHEREAS, one of the contributing factors in increased pension costs is the long-term financial liability created by the inclusion of overtime earnings in benefit calculations; and

WHEREAS, Onondaga County should strive to bring about pension reform by implementing new overtime management policies and procedures based on necessity, expertise and skill, while eliminating the costly practice of stacking overtime hours based on seniority; and

WHEREAS, allocation of overtime based strictly on seniority artificially increases pension benefits for the sole benefit of an employee, and to the significant detriment and cost to the tax payer; now, therefore be it

RESOLVED, it is hereby declared a policy of this Legislature, that to the extent allowable by contract and applicable law, county department heads and elected officials should take all appropriate action to eliminate the disproportionate stacking of overtime hours worked by any individual employee and proportionately distribute overtime hours amongst employees based on necessity, expertise and skill; and, be it further

RESOLVED, that County department heads, including elected officials are requested to submit in writing to the county legislature any instance in which a county employee accrues overtime in excess of five percent (5%) of their regular pay in a fiscal quarter; and, be it further

RESOLVED, that county department heads, including elected county officials undertake new policies and procedures, where allowed by contract and applicable law, to prevent disproportionate stacking of overtime; and, be it further

RESOLVED, that those involved in contract negotiations are hereby requested to negotiate future contracts consistent with the intent set forth herein.

To the extent the Final Phase Adjustment is payable, such amount shall increase each year by four percent (4%) per annum, compounding annually, commencing on the first anniversary of the Calculation Date.

Allocation of

Additional PILOT Payments, if any, attributable to (A)(5) shall be applied by SIDA to Aquarium Funding as directed by the Company. Remaining amounts, if any, shall be placed in escrow by SIDA in trust and invested, reinvested and distributed in the same manner as described in Schedule One under the heading Escrow Agreement.

Notwithstanding the foregoing, if subparagraph (B) of PILOT Payments During the PILOT Benefit Term; Non-Final Phase above applies, then the PILOT Payments shall be applied as follows: The portion of the PILOT Payments attributable to: B(1) Payments shall be applied to the applicable Tankyard Tax and the balance, if any, by SIDA to the City and the County in the same proportion that each would have received in real property taxes had the property been subject to real property taxes; B(2) Payments shall be retained by SIDA and used in furtherance of Lakefront redevelopment; and B(3) Payments shall be applied by SIDA to pay the applicable Operating and Maintenance Expenses and the Public

Use Maintenance Expenses; and additional PILOT Payments, if any, by the Company pursuant to B(4) shall be applied by SIDA to Aquarium Funding as directed by the Company. Remaining amounts, if any, shall be paid by SIDA to the City and County in the same proportion that each would have received real property taxes had the property been subject to real property taxes.

Allocation of
PILOT Payments
During the PILOT
Benefit Term;
Final Phase:

Payments received by SIDA pursuant to the PILOT Payments During the PILOT Benefit Term; Final Phase shall be allocated as follows: (1) the applicable Tankyard Tax, if any, and the Final Phase Adjustment, if any, shall be paid to the City and County in the same proportion that each would have received in real property taxes had the property been subject to real property taxes; (2) the Operating and Maintenance Expenses and the Public Use Maintenance Expenses shall be applied by SIDA to pay the applicable Operating and Maintenance Expenses and Public Use Maintenance Expenses; and (3) the Lakefront Improvement Fee, if any, which shall be retained by SIDA and used in furtherance of the Lakefront and Inner Harbor redevelopment. Additional PILOT Payments, if any, by the Company for Aquarium Funding shall be applied by SIDA, as directed by the Company.

During the PILOT
Runoff Term:

Upon expiration of the PILOT Benefit Term, the Company shall make PILOT Payments as set forth in Schedule Four.

The respective Constructed Phase SIDA Bonds shall generally be applied to pay the costs of issuance of such Constructed Phase SIDA Bonds, to establish required reserves, to pay credit enhancement fees for issuance of such bonds, if any, and other costs in connection with financing the acquisition of interests in all or a portion of the Land to be acquired and financing, acquisition, construction, installation and/or equipping of those Public Improvements attributable to the next Subsequent Phase, provided however, that SIDA shall be obligated to pay such costs only to the extent such amounts are financed through the issuance of bonds secured by the PILOT Payments referred to in this Schedule or otherwise unallocated and available to SIDA pursuant to the PILOT Agreement.

RESOLVED, that the County Comptroller be and hereby is authorized and directed to draw a check payable to the owner of the property acquired in payment thereof, said check to be delivered to the County Attorney who shall obtain proper conveyance and approve title before delivery of said check and that said sum be, and hereby is, made a charge upon the proper fund or funds.
