2004/2005/2006

See What Is Possible

Poster Project with the Learning Disability Association of Central NY and The Everson Museum of Art

The children produced artwork inspired by the museum collections, and utilizing Photoshop projected onto a screen we designed individual postcards for the children. From this work, I designed a collaborative poster, which was printed by the Everson Museum of Art for use by the Museum and the Learning Disability Association of CNY.

The work created by the participants has subsequently been exhibited at the Everson Museum of Art, The Syracuse Common Council Chambers in City Hall, and at Syracuse University.

**TUESDAY, June 27, 2017**

The following occurred at 4:10 p.m.:

Commissioner Rhoads: This is a Commissioner's Hearing to hear public comment on accepting a 24 inch section of a force main currently owned by Honeywell International in connection with the rehabilitation of the West Side Pump Station Project, for payment of \$1.00 waived; therefore,

It is 4:10 p.m., and I declare the hearing open. Are there any comments to be presented?

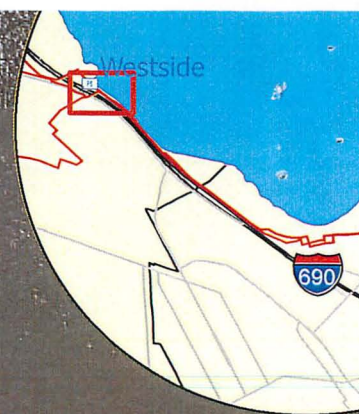

(No response).

Commissioner Rhoads: Since there is no one in attendance for this hearing, I present the following statement for the record:

During design of the West Side Pump Station Rehabilitation project, it was suggested by the design engineer that it would be beneficial for the County to acquire a section of a force main owned by Honeywell, International that would help in addressing wet weather capacity constraints, currently exhibited at the pump station. The section that the County will be acquiring is approximately 24 inches in diameter and extends from the West Side Pump Station in Geddes to the Metro Treatment Plant here on Hiawatha Blvd. (approximately 10,000 feet). The County will be responsible for any maintenance of this section of pipe. The cost to the County is \$1.00, payment waived. A map outlining the location of the force main will be included with this report for the record.

That concludes my statement, and, as no one is in attendance, I declare this hearing to be closed.
