

Attention Veterans!

Instrumentation Mechanic

Five (5) years of full time work experience in the maintenance, repair and installation of electrical mechanical, heating or air conditioning systems, or the electrical and instrumentation equipment utilized in water and/or sewage treatment, such as, low and medium voltage switch gears, flow meters, motor controllers, and level recorders.

This is an essential position that we are seeking to fill as soon as possible. Please email cover letter and resume to Paul Smith, Administrative Director at PaulSmith@ongov.net.
