

New Jersey & New York Directory

Our Mission: To welcome home and honor those who served, those still serving, and their families by reaching out to them, engaging their communities, and providing them with quality readjustment counseling and timely referral.

Services: Readjustment counseling is a wide range of free, confidential services offered to eligible veterans and their families in the effort to make a successful transition from military to civilian life. Services offered at Vet Centers nationwide include individual and group counseling, family counseling for military related issues, bereavement counseling, military sexual trauma, coping with deployments, community education, outreach, and referrals.

Vet Center Eligibility: All Veterans are encouraged to seek Vet Center services. Any Veterans and current service members, including members of the National Guard and Reserve components, are eligible if any of the following applies:

- Have served on active military duty in any combat theater or area of hostility
- Experienced a military sexual trauma (regardless of gender or service era)
- Provided mortuary services or direct emergent medical care to treat the casualties of war while serving on active military duty
- Performed as a member of an unmanned aerial vehicle crew that provided direct support to operations in a combat theater or area of hostility
- Accessed care at a Vet Center prior to Jan. 2, 2013, as a Vietnam-Era Veteran
- Served on active military duty in response to a national emergency or major disaster declared by the president, or under orders of the governor or chief executive of a state in response to a disaster or civil disorder in that state
- Are a current or former member of the Coast Guard who participated in a drug interdiction operation, regardless of the location
- Are a current member of the Reserve Components assigned to a military command in a drilling status, including active Reserves, who has a behavioral health condition or psychological trauma related to military service that adversely effects quality of life or adjustment to civilian life.
